

Resourcing Manager

The substantive salary for this post is £32,778

**Are you an inspirational leader with a proven track record as a Resourcing Manager?
Are you a strong communicator and looking for an exciting step in your career?**

We are a leading service provider in the Social Care market and are looking for highly motivated, results driven individual to join our team.

So what does the role involve?

As Resourcing Manager you will manage and oversee all recruitment and resourcing activity across this fast paced environment.

You will take ownership of the end to end recruitment and resourcing processes, and be instrumental in developing new systems to ensure you are constantly looking to improve the resourcing operation.

You will demonstrate a solution based approach to resourcing, and be keen to develop a strong in-house function.

What qualities will you need to be successful in this role?

You will be highly results driven with a proven track record in a recruitment and resource management or similar fast paced environment.

With a positive approach, you will be a strong communicator and a skilled people manager and be adept at developing new practice and procedures.
