

Customer Council Elections

Would you like to join the Customer Council?

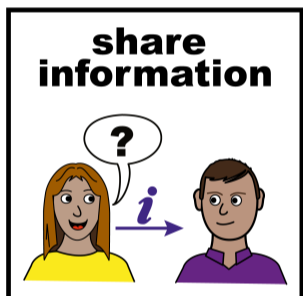

“If voted in I can...”

I can represent those in my service

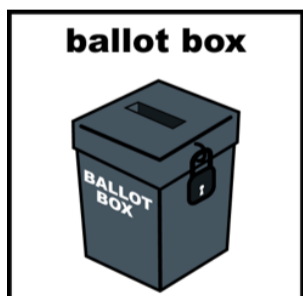

I can listen to views, and concerns

I can pass on important information

I can attend meetings every 3 months

I can commit for 3 years

For all the wonderful people we support, would you like your voice heard and to represent your service on the **Customer Council**? Elections are open across all our services!

If voted in, you can attend local area and citywide meetings to say what you want, what you don't want and talk with staff and friends.

Talk to the CIC's to stand for election today!
They can help you record your statement of why everyone should... **vote for you!**
Submit statements by 12th November, call:
